Attention Supervisors and Managers

Building Internationally Educated Health Professionals (IEHP) Communication Skills in the Workplace Course

Vancouver Coastal Health, Providence Health Care and Fraser Health are partnering to offer a course to support supervisors and managers to enhance IEHP communication skills in the workplace.

Participants will be supported to:

⇒ Explore IEHP communication needs and challenges
⇒ Improve your ability to diagnose communication challenges
⇒ Develop and maintain a dialogue with IEHPs aimed at improving workplace communication
⇒ Improve your ability to give feedback and provide support to IEHPs

Course Duration: 60 hours in 8 days over 11 weeks
Course Times: 8.30 am - 4.pm

Course # 1 Dates: Tuesday April 26, May 3, 10, 24, 31, June 14, 21, 28, 2011
Location: The Doctors Residence, 3rd Floor, Room 311
2775 Heather Street (Heather and West 12th Ave) Vancouver

Course # 2 Dates: September: 13, 20, 27, October 11, 19, November 1, 8, 22, 2011
Location: To be decided

To attend this course you must:

● currently supervise or manage a work group that include IEHPs
● commit to attending all 8 full days of the course

Backfill may be provided.
